

Hello Bay Path Carpenters,

Please view the following videos and write 10 (carpentry or construction) facts for each video. This will be collected when we return to school. **Stay healthy!** This is the same assignment for all grade levels. Any questions, feel free and email me. mrickson@baypath.net

Video 1: Net Zero Homes: Why it's easy to build one now!

Link: <https://www.youtube.com/watch?v=st-Gd1ZcFyM>

Video 2: Building an Off-the-Grid Solar Cabin

Link: <https://www.youtube.com/watch?v=yGWC0v9-8M8>

Video 3: Cutting Common AND Hip Rafters: Simple Solutions for Roof Framing
