

Hi everyone, here are the enrichment exercises to help keep your brains healthy until we meet again.

After watching each video in its entirety, make a list of 10 facts you learned. Try to get a few facts from the beginning, middle and end of the videos.

Please note the Carona virus video has a 10 question post-test for you to take. Write down your answers and submit those as well as ten facts from the video.

If you have any questions use my email address- cgenatossio@baypath.net

[COMPONEER Direct Composite Veneering System - long version](#)

With COMPONEER, quality aesthetic restoration of anterior teeth can be performed efficiently in just a single session. Until now the dentist could only choose between a directly modelled composite restoration or elaborate indirect veneer technology. The Direct Composite Veneering System adds a new and interesting dimension to existing treatment ...
