Kyle J. Brenner
Superintendent-Director

January 6, 2021

Dear Parents, Caregivers, and Guardians,

Happy New Year and welcome back! While we too enjoyed the holiday break, we also continued to monitor and track reported cases and exposures of COVID-19 within our Bay Path community. We sustained our efforts with our local Boards of Health, State agencies, and school nurses to contact all individuals that were exposed or tested positive over break and ensure that they remain in self-quarantine/isolation in accordance with established protocols until such time it is safe to return to our facilities.

I am optimistic that 2021 will be a time for our community and nation to emerge from the pall of this awful pandemic. My optimism is bolstered by the resilience of our staff, students and families over the past several months. While we have remained in the Hybrid Model, enabling us to offer in-person learning, it has not been easy nor ideal. With the planned shipments and administration of vaccines, I am hopeful that we are turning a corner. However, there remain quite some miles and roadblocks along the journey to fulltime in-person learning. I implore everyone to remain vigilant in our efforts to stem the transmission of this virus. Please continue to adhere to the proven health and safety practices and protocols. It is important to stay positive, get the flu shot, check on your neighbors/family/loved ones, and continue to wear a mask, wash your hands, and maintain physical distancing. We are grateful to our families and staff for their continued efforts to stay home at the first sign of symptoms. These measures, taken in combination, have greatly proven to reduce the risk of additional transmission.

We are committed to continuous communication with and support of our families. If you have any additional questions or concerns, please contact the Superintendent, Kyle J. Brenner, at KBrenner@baypath.net. If there are additional transmissions because of these cases or a separate case, we will send another message immediately. Thank you for your continued support.

Sincerely,

Kyle J. Brenner
